### **Who is NARI?**

NARI is the only national association dedicated to educating and supporting its members with remodeling industry related information they can use to enhance their businesses. Our association also acts as a referral service for its members by providing valuable information to consumers. Our meetings are all about connecting, socializing and education – to build your business.

We also assist members in obtaining their NARI certification...a distinction consumers look for when seeking remodeling help. Your certification will set your business apart from the rest of your industry. Our monthly meetings also offer educational opportunities from trends in kitchens and baths to business leaders in the remodeling industry.

**Member Meetings:** NARI of Southern Arizona meets on a monthly basis. Our meetings provide a great education forum and are ideal for networking with your industry peers. At our meetings and events you will meet some of the association's officers and members and begin networking your business immediately. Attending a meeting will confirm that our Chapter fits the needs and interests of your business. **For details regarding upcoming events and more NARI information, please visit [www.nariofsouthernarizona.com](http://www.nariofsouthernarizona.com).**
